## Friday Folder Communication

Schedule Projection for the Week of: June 7 – June 9

---

Dear Parents,

I truly believe that being a parent is one of the hardest jobs in the world. You give life and assume the most difficult responsibility of all – raising them to become good citizens who will ultimately carry the future.

I want to take this time to sincerely thank you for all your help and support. I could not have done it without you. I also want to thank you for allowing me to be a part of your child's life. I have had such a wonderful year teaching your children. They have taught and inspired me to become a better educator and leader for the future.

Thank you so much for your continual support.

Best,

Molly Wiebe
